WELCOME.

My family and I have been in the wine business for over 50 years, and we are so excited to share our experience with you at Vertical Detroit. Located in the historic Ashley building in downtown Detroit's Paradise Valley, our location is perfect for birthdays, work functions rehearsal dinners, holiday get-togethers, or a special night out. From our tasting table to wine flights and dining area to full bar, we provide a wide variety of options that can be specifically tailored to your event.

Vertical is our tribute to all the major influences that we have encountered over all of our years in the hospitality and wine business. The space's cellar level, cozy, modern and elegant design creates a one-of-a-kind setting for any occasion.

The restaurant gives guests an inviting atmosphere to enjoy our award-winning wine list as well as a curated selection of beer and specialty cocktail and spirits with our wine-centric cuisine in a classic yet cool atmosphere. Our knowledgeable staff includes certified sommeliers, that will work with you to create a truly memorable experience for all. We look forward to sharing our love of wine and entertaining you and your guests.
